

Solar

Solar

Designed and developed to provide a multitude of functions maintaining style and quality, Solar is the ideal solution for all of your task chair requirements.

Solar is multi-function task seating at its very best. Solar offers comfort, style and maximum adjustability for any user.

SCULPTURED BACK DETAIL

Competitive products can often compromise on style and features. Solar maintains a look of quality through features such as this elegantly sculptured back plastic.

HEIGHT ADJUSTABLE ARMS

Solar comes standard with Height Adjustable Arms offering ease of use whilst providing support and comfort.

SEAT HEIGHT ADJUSTMENT

A Seat Height Adjustment of between 430mm-560mm can be achieved by means of pneumatic height adjustment which supports up to 150kgs.

Simple controls ensure the user can achieve a unique and personalised sitting position, therefore creating the most comfortable experience.

Standard features include adjustable arms, seat slide, inflatable lumbar support plus synchronised seat and back movement.

SEAT & BACK ADJUSTMENT

Independent or Synchronised Seat & Back mechanisms are available, which both provide maximum user comfort.

SEAT DEPTH ADJUSTMENT

Variable seat depth adjustments can be made giving the user improved support.

INFLATABLE LUMBAR SUPPORT

The Inflatable Lumbar device offers a simple yet effective additional support to the lumbar region.
