

Dine

Design by PearsonLloyd

Dine is a fresh and elegant take on the classic stacking monoshell chair type. Great effort has been taken in creating this excellent ergonomic, laminated plywood form with a soft flowing, beautifully proportioned profile. Dine provides a comfortable sit for dining,

meeting and general multi-purpose use. The beech shell is offered clear lacquered and in a number of stain or colour finishes in side chair and armchair options. In addition a moulded upholstered seat pad can be specified.

Design PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997.

Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.

Standard Features

(* - Selected models only)

Stacks up to 8 high*
