

## Pebble

Design by Allermuir

Pebble is a superb seating option for a multitude of informal meeting spaces or corporate breakout areas where people may come together for only a brief period to chat, to have a drink or just rest a while. This comfortable design allows for user interactivity

as it can be nested together with other Pebbles arranged in a scatter format or even used individually as a standalone piece. /Available in three variants Pebble has the ability to nest together to create a variety of layouts and configurations that are easily changed.
