

## Mimosa

Design by Dondoli+Pocci

Mimosa is a fantastically comfortable lounge chair with a design that invites the user to find a multitude of positions. Inspired by retro mid-century design, the quilted seat contrasts the formality of the structural column base.

The inclusion of a table further enhances this range's capabilities.

MIM01

## Design Dondoli+Pocci

Claudio Dondoli and Marco Pocci are originally from Colle d'Elsa, near Siena, Italy, where their studio still has its head office today. Dondoli and Pocci met in Florence at the university faculty of architecture where they were part of the same team.

In 1983 they opened an industrial planning, design and architecture studio, Archirivolto. For Archirivolto, "design is beauty, harmony and freedom and cannot be bound by strict, pre-established rules, nor is it privilege of a social or cultural elite."

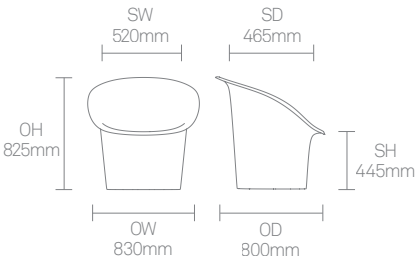

Standard Features

- (\* - Selected models only)
- Moulded foam construction\*
- Soft foam quilted top section\*
- Steel base support
- Plastic glides

Optional Features

- Two-tone upholstery

Dimensions

---

## Finish Options
