

Famiglia Occasional Tables

Design by PearsonLloyd

Famiglia's selection of occasional tables recognises how dramatically our office and hospitality landscapes have evolved in recent years.

This collection of tables are as well suited to a hospitality environment as they are to a break out zone, or even interspersed within the office.

FMGLT-415

Design PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997.

Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
