

# CHEMISTRY CANOPY

A welcome addition to Senator's Chemistry range is Chemistry Canopy. Canopy's soft and open design creates an inviting work area that has the correct balance of privacy, without a feeling of isolation.

A complement to Chemistry desking, Canopy's fabric covered panels with optional tech knit pockets can be used to pin and store inspirational materials. A magnetic dry wipe board both inside and outside makes clever use of the space.

Chemistry Canopy – Product Detail

Chemistry Canopy is a new addition to the Chemistry range, designed to be an acoustic setting for open office spaces for quiet working or interactive meetings.

Features

Mounting brackets

Modular fixing to the desk.

Lighting

Canopy features plug and play lighting with easily accessible surface mounted switch.

Magnetic dry wipe board

Magnetic dry wipe on both faces.

Acoustic panels

Canopy's panels are designed to effectively absorb sound and provide sound insulation, creating an environment that promotes quiet work in an open plan office.

Foot plate

Stabilising 10mm steel plate feet provide rigid stability.

Options

Storage pockets

Stretch Tech knit Pockets for storage  
CPY01 is supplied with 4 pockets  
CPY02/03 are supplied with 8 pockets

## Chemistry Canopy – Construction

Chemistry Canopy consists of several sub-frames. Each sub-frame is delivered pre-assembled for ease of installation.

Chemistry Canopy sub-frames can be dropped into place and locked in position using bolts provided. Push fit moulded caps are supplied to cover the fixtures and fittings.
