

Folk

Design by PearsonLloyd

Folk is both timeless in its seemingly familiar design, and timely in its modest and ingenious flexibility. A range of wood, plastic and Aluminum finishes, different colors and upholstery options allow you to change Folk's flavor so that it can appear like a range of

different chairs that somehow sit together harmoniously in one space.

Design PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997. Since then the studio has created stunning

solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
