Smart

Lyft is the perfect accompaniment to your office task chair. With its rounded, base Lyft offers motion and mobility. Its unique curved seat offers uncompromising comfort and support whether, sitting, standing or perching.

An addition to your task chair, lyft allows not only greater posture but greater connectivity. Use it for impromptu meetings not just for prolonged work periods.

Quite simply, however you use it, it's the perfect balance for the modern office.

Get choice

With three colour variations Lyft is an upbeat product that seamlessly fits any room. Additionally, thanks to the infinitely variable height adjustment it provides uncomplicated seating comfort.

01

Perch

Designed to support all height ranges. Lyft can go from 535mm to 805mm, all with an effortless gas power mechanism.

02

Individual

Whether you're working for 8 hours or 8 minutes, Lyft is designed to intuitively support your posture while you work.

03

Collaborate

Lyft is a really adaptive tool for a modern office and perfect for those impromptu meetings and get togethers.
