Hotbox ORIGIN

Hotbox makes the Agile Workplace flow.

The father of the Hotbox family – we present HotBox Origin.

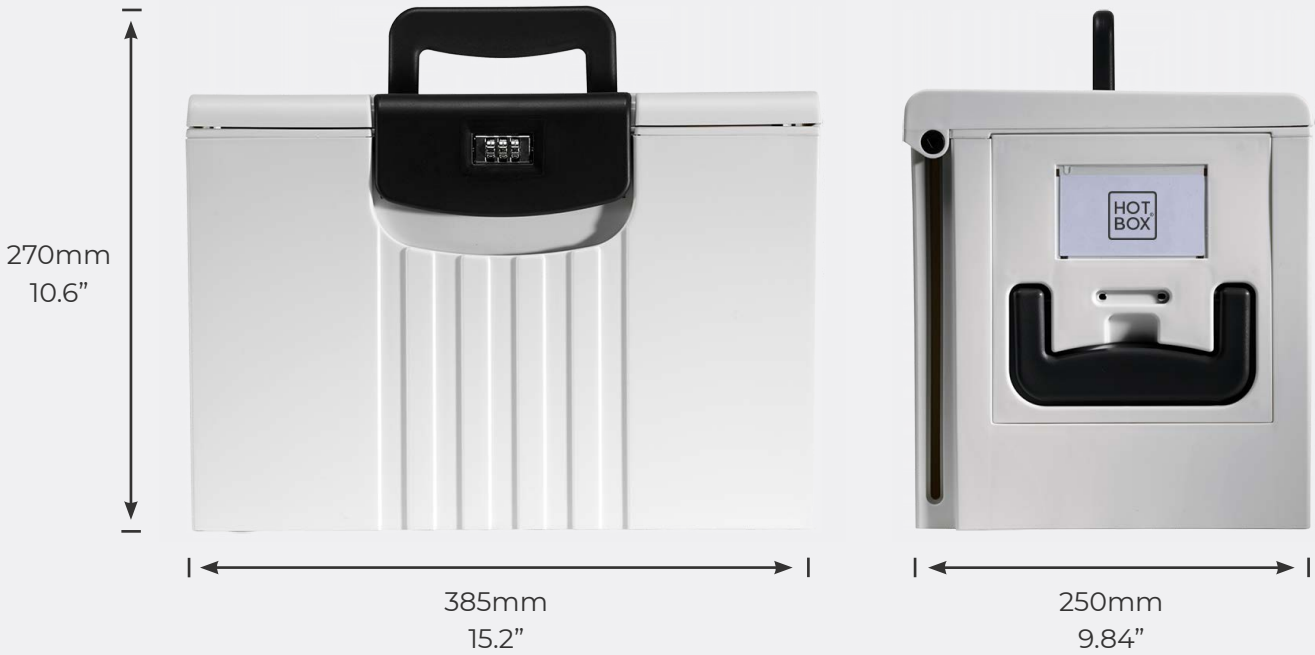

This is where it all started for us; it is a box with a big heart. Designed for the agile worker who prefers to stay in one location, Hotbox Origin can stow personal files and items away safely and securely. A people-pleaser from day one, Hotbox Origin clips onto your desk so it is readily available for all your flexible working needs.

For storing confidential information in a transferable, user-friendly container, look no further than Hotbox Origin.

Hotbox ORIGIN
